

In a remote location in the Colorado Rockies there lives a Ponderosa Pine that has thrived for nearly one thousand years. The United States Geological Survey bestowed a name upon this ancient specimen: **OLD SOLITAIRE**. This wise and sacred tree has been drinking the water from Spring44 since it was a pinecone seedling. Old Tom Gin is a classic spirit from the 19th century, sweetened and barreled. Spring44 uniquely blends our spring water with the essence of this majestic pine along with an extraordinary botanical recipe that includes juniper, lemon grass, galangal and coriander. We are an American craft distiller that uses **COLORADO ROCKY MOUNTAIN ARTESIAN SPRING WATER**, naturally filtered by the earth. The terroir of Spring44 is distinctive and alive. No municipal water touches our gin. Perfect gin requires perfect water.
