

# SPRING44 HONEY VODKA

## GET BUZZED!

Spring44, located in a remote area of the northern Colorado Rocky Mountains, provides some of the rarest water on the planet. Its unique properties allow us to create premium craft spirits that taste like nothing else in the world. Every sip connects you to this incredible place high up in the Rockies. Our spirits are made with Rocky Mountain artesian mineral spring water, straight from our Source located at 9,000 ft in Colorado's pristine Buckhorn Canyon.

Taste pure Colorado spirit.

*Colorado honey, aromas of lavender, hints of vanilla and toasted nuts. Enjoy in cocktails, neat and on the rocks.*
